

Appendix to DISK Withdrawal Form

DISK recognizes that, in any community as complex as a school, disagreements or differences of opinion may arise, and DISK fully supports a process of dialogue between parents, students, teachers and school administration to resolve such issues.

However, DISK cannot support or ignore actions that damage the health and reputation of the school or its community members. Examples of such actions include, but are not limited to, verbal/online/email harassment or negative social media posts.

Therefore, as part of standard withdrawal procedures from DISK, we ask departing families to sign this Appendix to the DISK Withdrawal Form.

Upon my child's withdrawal from DISK, I pledge myself and my family to uphold the following commitments:

1. I and my family members will not take any actions (physical, verbal, written or online) that damage, or could be considered likely to damage, the reputation of the school.
2. I and my family members agree not to engage in any behavior (physical, verbal, written or online) that could be considered as harassment of any members of the DIA/DISK community, including staff member(s), parent(s) or student(s).
